

Aerospace Fastener's REACH Compliance Statement

We would like to thank you for your enquiry with Aerospace Fasteners and our stance towards REACH regulations.

We as a company are fully aware of the effects that Substances of Very high Concern (SVHC) can have both on the environment and quality of living.

Aerospace Fasteners LTD is a stockist/ Distributor of parts acquired from various companies. As a stockist Aerospace Fasteners LTD do not manufacturer any parts.

Aerospace Fasteners are REACH compliant. We as a company do not import or handle any chemicals of high concern. As per our scope, we are a stockist and distributor of: Aerospace standard fixings, Fasteners and seals, Non-Standard and special components.

Aerospace Fasteners LTD has received and will continue to receive assurances from all our suppliers that, all goods and services have registered or intend to register in accordance with the REACH Legislation. In our purchase order flow down conditions QAP 03 3.9, we ask all our suppliers to inform Aerospace Fasteners LTD if parts do not conform with REACH before supply.

Aerospace Fasteners have determined that it will be able to continue supplying all goods and articles to our supply chain.

Should you have any questions for Aerospace Fasteners LTD, please feel free to contact us.

Many Thanks

Yours Sincerely
